Information

This camp has been planned to help campers grow spiritually in understanding what is expected of an honorable servant of Christ and to help them acquire the tools they need to fulfill that expectation. We want your children to grow spiritually and have a good experience at this Servants of Honor Camp. To achieve this we will try to meet the following objectives:

1. Allow the Holy Spirit to direct us individually and as a group in seeking and discovering the Lord's plan for our lives.
2. Use the campgrounds as a sanctuary from the world in order to come closer to Christ.
3. Become closer to God and His Son, Jesus Christ, as we come close to each other.

To help us meet these objectives we ask that you have your child read the following information and camp rules, then sign his/her name along with yours (parent/legal guardian) at the bottom of the reverse page. Please bring all forms and your camp offering for registration (make checks payable to "Geneseo Restoration Branch").

While this is a Christian camp and we strive to encourage honesty and integrity we can not be held responsible for loss or damage to personal property. Please do not bring valuables that could be damaged or lost. No other money besides the registration offering will be needed.
